WORK EXPERIENCE

Working Student – Marketing Analytics & Content Manager 01/2026 – Present
Hochschule Offenburg / Black Forest Business School, Germany (part-time)

- Create, schedule and publish LinkedIn and digital content for the MBA programme, using AI tools for research and drafting.
- Track reach and engagement to find the best-performing content; support Meta, Google and LinkedIn Ads.
- Audited competitor school websites and delivered a content rewrite with UI/UX mock-ups.

Senior Account Manager – Team & Client Servicing Lead 01/2024 – 07/2025
Illuminati Media, Remote

- Main point of contact for 20+ brand accounts across fashion, lifestyle, fintech and D2C, including HUL, Philips and Lakmé.
- Led a 12-person team of account executives and coordinators to on-time delivery.
- Owned campaigns end to end: briefs, creator discovery and negotiation, approvals, quality control and reporting.
- Tracked ROI and optimised live campaigns with Google Sheets, creator CRMs and dashboards.

Manager – Influencer Marketing & Client Servicing 04/2023 – 01/2024
Senior Influencer Marketing Executive 06/2022 – 04/2023
Pollen (Zoo Media), Mumbai, India

- Selected and onboarded creators against brand goals for Instagram and YouTube campaigns for Tata and other consumer brands.
- Built performance reports (engagement, reach, CPR, conversion) for clients; promoted to lead the team.

Influencer Marketing Executive 07/2021 – 06/2022
White Rivers Media, Mumbai, India

- Creator coordination, content planning, client deliverables and campaign reporting.

Social Media Marketing Executive 01/2021 – 07/2021
FashionTV India, Mumbai, India

- Content creation, scheduling, trend research and community engagement on Instagram and Facebook.

EDUCATION

MBA – International Business Consulting 10/2025 – early 2027
Hochschule Offenburg – University of Applied Sciences, Germany

MASTER'S THESIS

AI-Powered Marketing Automation Tool Usage and Perceived Work Performance of Marketing Professionals in Germany

Bachelor of Mass Media (Journalism & Advertising) 2017 – 2020
Pillai College, University of Mumbai, India

AI PROJECTS (OPEN SOURCE ON GITHUB)

Job Search Agent

Agents · runs daily

Scheduled AI agents that find live roles from company hiring systems, score fit with evidence, and build tailored CVs and cover letters, with a check that removes AI-sounding text.

Growth Experiment Lab

Growth · live app

Reads A/B tests correctly, plans test length and ranks ideas with ICE.

Marketing Attribution Lab

Analytics

Six attribution models compared, including a data-driven Markov model.

Creator Fit Scorer

Partnerships

Ranks creators against a brand brief with clear reasons and risk flags.

Campaign Report Autopilot

Automation

Builds the weekly client report automatically every Monday.

Ad Performance Copilot

Performance

Weekly Meta, Google and LinkedIn Ads review: creative fatigue, wasted spend, budget shifts.

Client Health Score

Clients

Flags churn risk and upsell chances across client accounts; drafts QBRs.

Creator Contract Checker

Partnerships

Finds risky clauses in influencer contracts and drafts the reply.

MCP server & Claude Skills

AI tools

Connects Claude to marketing tools; reusable AI workflows for content and applications.

All projects: github.com/Vishwajeetkumbhar379 · Python, JavaScript, Claude API, GitHub Actions

WHAT I BRING

PARTNERSHIPS & CLIENTS	850+ creators and 20+ brand accounts managed; negotiation, briefs, approvals and reporting for global consumer brands.
GROWTH & PERFORMANCE	Campaign KPIs (reach, engagement, CPR, conversion, ROI); paid social and search support; A/B testing and attribution know-how.
LEADERSHIP	Led a 12-person remote team; ran many campaigns at once with briefs, approvals and deadlines on track.
AI & AUTOMATION	Daily use of Claude, ChatGPT and Codex; built agents, an MCP server and 12 open-source marketing tools; MBA thesis on AI in marketing.
INTERNATIONAL WORK	Worked remotely across teams; now studying and working in Germany; fluent English, German B1.
